

CROSS-COUNTRY RACE FEES POLICY

SUMNER RUNNING CLUB

The Sumner Running Club encourages the participation of its members in cross-country and road events by paying the race fees of its members in the following circumstances:

- The event is governed by the Athletics Canterbury Cross-Country and Road Committee and is part of the Canterbury “Club of the Year” competition.
- Entry to the event is made via the club website (unless otherwise requested) and is forwarded to the race organizers by the club’s race secretary.
- Athletes who enter must make every endeavor to compete, and accept that repeated non-appearance for races they have entered will result in a request for re-imbusement of their race fees.
- The Sumner Running Club committee can extend the events covered by this policy, at their discretion.
