

## Winter Race Fees Policy

### SUMNER RUNNING CLUB

The Sumner Running Club encourages the participation of its members in cross country and road race events by paying the race fees of its members in the following circumstances:

- the event is governed by the Athletics Canterbury Cross Country, Road and Trail committee and is part of the Canterbury “Club of the Year” competition, or is listed below.
- entry to the event is made via the club website (unless otherwise requested by the club’s race secretary) by the entry deadline.
- athletes who enter must make every endeavour to compete, and accept that repeated non-appearance for races they have entered will result in a request for re-imburement of their race fees.
- the Sumner Running Club committee can at their discretion extend the events covered by this policy.
